**Re: C.V. v. Carminucci
Civil Docket No.: 2:24-cv-02096-JXN-ESX**

Dear Judge Adams,

This office represents the Defendant, **LAUREN CARMINUCCI**, in connection with the above-referenced matter. Currently there is a settlement conference scheduled in this matter on Friday, January 31, 2025, before Your Honor.

As the Court is aware, fact discovery has been extended to allow additional time for the parties to take depositions. Same are scheduled for early February. In light of this, as per the Court's request as well, both Plaintiff's counsel and myself are requesting an adjournment of the settlement conference.

We understand that the Court's preference is to provide three (3) days notice of an adjournment request, however Plaintiff's counsel and myself have been on Trial. Without the depositions of the parties a settlement conference would be fruitless and a waste of the Court's time.

I thank Your Honor in advance for your attention to this matter. I have obtained the consent of my adversary.

Respectfully submitted,
